Liburnia Riviera Hoteli d.d., Hoteli Cavtat d.d. and Hoteli Metropol d.o.o.

30 June 2015

The consolidated operating results for the period January-June 2015 show that the Group (Liburnia Riviera Hoteli d.d., Hoteli Cavtat d.d. and Hoteli Metropol d.o.o.) is achieving its primary objectives. The Hoteli Metropol d.o.o. Portorož company was acquired on 13 February 2015 (the consolidated report shows and analyses results starting from 1 January 2015).

The acquisition of the Hoteli Metropol d.o.o. company was realised relatively late, which means that the new management will have a relatively restricted influence on business income in 2015 (the reason for this is that most of the sales for the current year, except those through direct channels, begin to be realised a year in advance). In addition, in the year 2015 there will be one-off costs related to the acquisition. The management believes that from 2016 on, the operating result of the Hoteli Metropol d.o.o. company will be of a volume that is typical for the Group.

In the period January-June 2015, the Group had c. 18% more overnight stays compared to the same period last year. Its operating income increased by c. 23% compared to the same period last year, and GOP (gross operating profit) rose by c. 36% compared to the same period last year. The comparison with last year refers to the Liburnia Riviera Hoteli d.d. and Hoteli Cavtat d.d. companies, since Hoteli Metropol were not a separate profit centre within the Hoteli Bernardin d.d. company. Thus, it is not possible to determine income and expenses in the year 2014, although these were realised.

In the period January-June 2015, the Group realised a net extraordinary income of c. 4.0 million kn. In the same period last year, net extraordinary income was c. 11.4 million kn.

Consolidated EBITDA (earnings before interests, taxes and amortisation) amounts to 35.8 million kn. Last year's EBITDA amounted to 33.4 million kn.

The liquidity and solvency ratios and debt to equity and cash flow ratios are strong.
